

GRETSCH Catalina Ash (Mod. 2005)

Famous GRETSCH
playing like Charlie Watts
(Rolling Stones)...

Catalina Ash

The Gretsch Catalina Ash series has been designed with power in mind for the player who is looking for quality features without the high price. With the cutting projection of the thin Ash shells, UV gloss finishes, and pro tom holders the Catalina Ash offers the looks and features of a pro kit without breaking your bank.

Verkauft 2011
